

Servicecenter GmbH

Delivery/Return

The phone will be delivered the same day. Return it to your hotel or to the next post office. A stamped and addressed package for return is enclosed. Delivery and return charges are inclusive.

Billing/Paying

We charge the costs to your credit card. You will receive a full itemized bill of the call charges. The invoice is sent by mail to your home address.

Costs/Insurance

You pay the rental and the call charges, plus taxes. Insurance is inclusive. There is a deductible charge of 75,00 EUR in the event of total loss.

Handling/Phoning

The phone is usable in Europe. Unlimited calls to any country are possible. Incoming calls inside Germany are free. Phone and voice mail settings are in English language. A user manual is enclosed.

NOKIA 6230i

Period/Discount

The minimum period is three days. If you need a phone longer than three weeks, ask for a special price.

Credit Card Information

Nr.: | | | | | - | | | | | - | | | | | - | | | | | _____
Value: _____ / _____
CVC*: _____

***Card-Verification Code.** The value can be found in the signature field, following the printed replica of the credit card number (3 digits). In case of AMEX you will find the code half way down the right-hand side of the front of the card (4 digits).

I herewith declare my agreement that all personal and connection data needed to enable correct processing of the contract are stored by the edicom S.C. GmbH. Only the hirer will have access to all data. These will not be made available to third persons. I have received, accept and declare my agreement with the General Business Conditions. I understand the charges incurred will be debited to the credit card shown above and confirm that I am the authorized signer for this card. This authorization is to remain in effect until the last and final bill for this service has been settled.
